Notice of Preparation of PEIR Meeting

The City of Oceanside will hold a public scoping meeting to solicit feedback on the scope of the environmental analysis for the Pier View Way Bridge and Lifeguard Headquarters and Beachfront Phase II project as part of the preparation of a Programmatic Environmental Impact Report (PEIR).

The Project consists of specific proposed improvements to the Pier View Way Bridge and Lifeguard Headquarters, the new Lifeguard Service Facility, the Junior Seau Beach Community Center, and the Junior Seau Amphitheater/Bandshell, along with improvements to the pier plaza and public spaces in between.

All public agencies, organizations, and interested parties – including nearby residents and business owners – are encouraged to attend and participate in this meeting.
